Farm School Information Sheet

Come meet the farm animals, take nature walks, make crafts, sing songs and play games. Being on a working farm in Fairfax County gives us the opportunity to offer your children a field trip every day. Our Farm Preschool is located in the Old Floris Schoolhouse at Frying Pan Farm Park, 2709 West Ox Rd, Oak Hill, Virginia. Katydid, Inc. has operated this program in partnership with the Fairfax County Park Authority (FCPA) since 1991.

Our philosophy is learning through interactive play. We believe that play is an effective method of learning and develops self-confidence. Our preschool program is designed for 3, 4 and 5 year olds and provides a safe and nurturing environment where children grow emotionally, socially and intellectually through developmentally appropriate experiences. *In addition*, children will have the chance to enjoy the sights and sounds of a working farm in a safe, enjoyable atmosphere. You may view more about our program and read our handbook online at www.katydidkids.com.
